NOW...THE 50-STATE TIRE

Built to get you around a line of trucks on Route I-94 or through the Loop rush hour traffic ...the new All-Traction by Goodyear.

Americans drive their cycles farther and harder than anyone else in the world. They need their own breed of tire.

It's here. All-Traction is its name. Built by Goodyear to give the new machines a surer grip on American roads.

All-Traction has the traction compound and traction tread backed by the triple-tempered 3-T nylon body to be tough in town or on the turnpike.

You need "grab" for sudden stops. You get it from those chunky tread blocks. You get extra agility in traffic from the tread bladings. You get a grip on wet pavement because the All-Traction design spins water from under the tread.

You get maneuverability in downtown tie-ups, stability on curves, and durability to take a turnpike, mile after mile after mile.

You can get a tire from anywhere to fit your machine.

You'll have to get All-Traction from your motorcycle dealer to fit your driving. If he doesn't have All-Traction now, ask him to contact one of the Goodyear Motorcycle Tire Distributors listed below.

Goodyear, Cycle Tire Department, Akron, Ohio 44316.

LITTLE BURR

John Penton Scores Fifth Championship Title In Tenth Annual 250 Mile National Enduro

By Boyd Reynolds

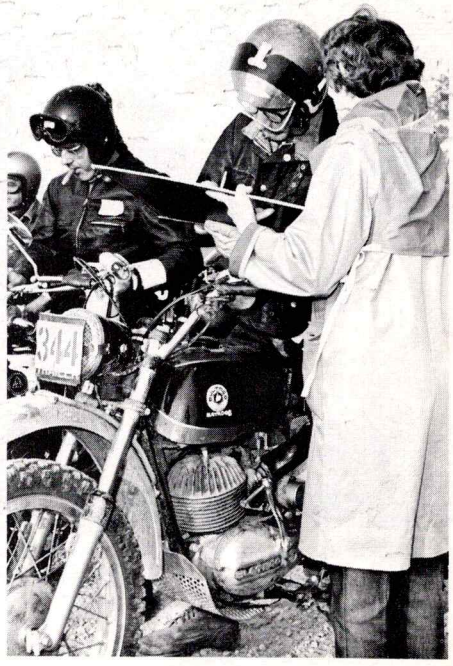
There were blue skies and bright sunshine for the 250 mile National Championship "Little Burr" Endurance Run on Sunday, May 28, 1967. Organized by the Enduro Riders Association and starting from the club grounds of the Capital City Motorcycle Club of Columbus, Ohio, the meeting was attended by some 388 entries and about 800 helpers, wives, families and just plain spectators.

Victor in this harrowing bash was a Buckeye contender and a fellow who lost last year by mere seconds at the emergency check. From Lorain, Ohio, John Penton dropped only 13 small points to again put the Penton brother's name in the headlines and brand of the Swedish Husqvarna into the winner's circle.

John proved, as he has in the past that to win is a combination, or blending, of man and machine and that when both are custom tailored the combination is hard to beat. A physically fit man, some engineering skill and a mind like a trigger make riders like John Penton, Bill Baird and many others tops in their sport just as Jim Clark is in motor racing or Parnelli Jones with his turbine car. To watch these men in action at one national after another is to experience a true thrill for any enduro enthusiast.

From the large entry that signed in for this year's Little Burr the 1965 winner, Robert Fusan took the Mediumweight Championship and Harold Ward, an old Jack Pine sidecar champion won the Heavyweight trophy. Sandwiched in between the National Champion Bill Baird and Fusan, "B" rider Forest Stahl turned in the top High Point "B" score of 969 points. Three other B riders also achieved a 969 score, but Stahl won out on the emergency check tie breaker. Also at 969 was Lightweight Champion Gerald Pacholke.

After some road sections to get riders into the hill country, the arrows led into a creek bed. Three miles, one check and many drowned engines later, the arrows led back up onto the gravel roads. Tim Hoffman, champion in the tiny division negotiated the water with ease as did Powder Puff winner Karol Noss. Karol didn't come out dry, however, thanks



to a fast moving "A" rider who passed in deep water to give her an impromptu early morning shower from head to foot.

Congenial Marvin Culter from Michigan was out front in the Senior Class and the rafters rocked when he received his trophy Monday morning. Ron Jackson was top man in the large Light Mediumweight Class and Bruce Howe and Don Romig again proved two can go as good as one. What other team could come out on top better than Bill Baird, John Young ('66 winner) and "Jolly" Bill Maxey.

There was dust, mud, gravel roads and of course the hill at the State Boys' School. Many riders expended themselves here, while some lucky ones zipped to the top. Either way it was a difficult obstacle and many spent much time and many points here.

As the last high number riders were hurrying along the last few miles of road into the finish, the skies blackened, the wind came up to gale force and as lightning danced about the clouds, the heavens belched forth a torrential rain. Some riders took shelter and others, with and without lights, but with the help of pit crew cars to follow, continued in to the final check point.

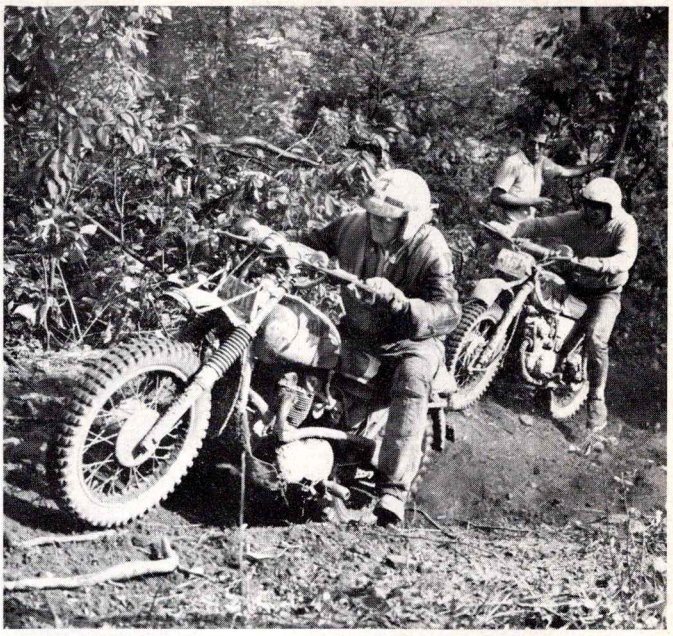
Little Burr was over for 1967 and all who attended were most happy with the run, its promoters and of course the big silver tropies they carried off to all parts of the country, each a memory of the day's fun.

Above: Forrest Stahl, high B finisher, leads National Champion Bill Baird and mediumweight champ Robert Fusan into first check.

Top from left: Karol Noss does a feet up balancing act across the stream while Don Nichols and Craig Tabat watch and wait to see how successful the method may be.
John Penton dodges fallen rider but then looses traction and stalls. From here it was push to the top.
Heavyweight champ Harold Ward rides the stream like a road. Harold is an old sidecar champ from by-gone Jack Pine days.
Sidehack duo heads for landing after easy trip down stream. Sidecar entries were able to cover approximately 150 miles before calling it quits.
One of the many chores in preparing for the run — taping the pants bottoms.
Match your number color to check board color if you want credit at the check point. Here Helene Steiner has rider sign out at start of 250 enduro.

Results on next page

Now, what do we do? Rider seems to be pondering his plight after finding the water and mud hole deeper than anticipated.



Bill Baird passes a faltering rider and bulls his way up the big hill which was probably the most difficult obstacle in the entire run.

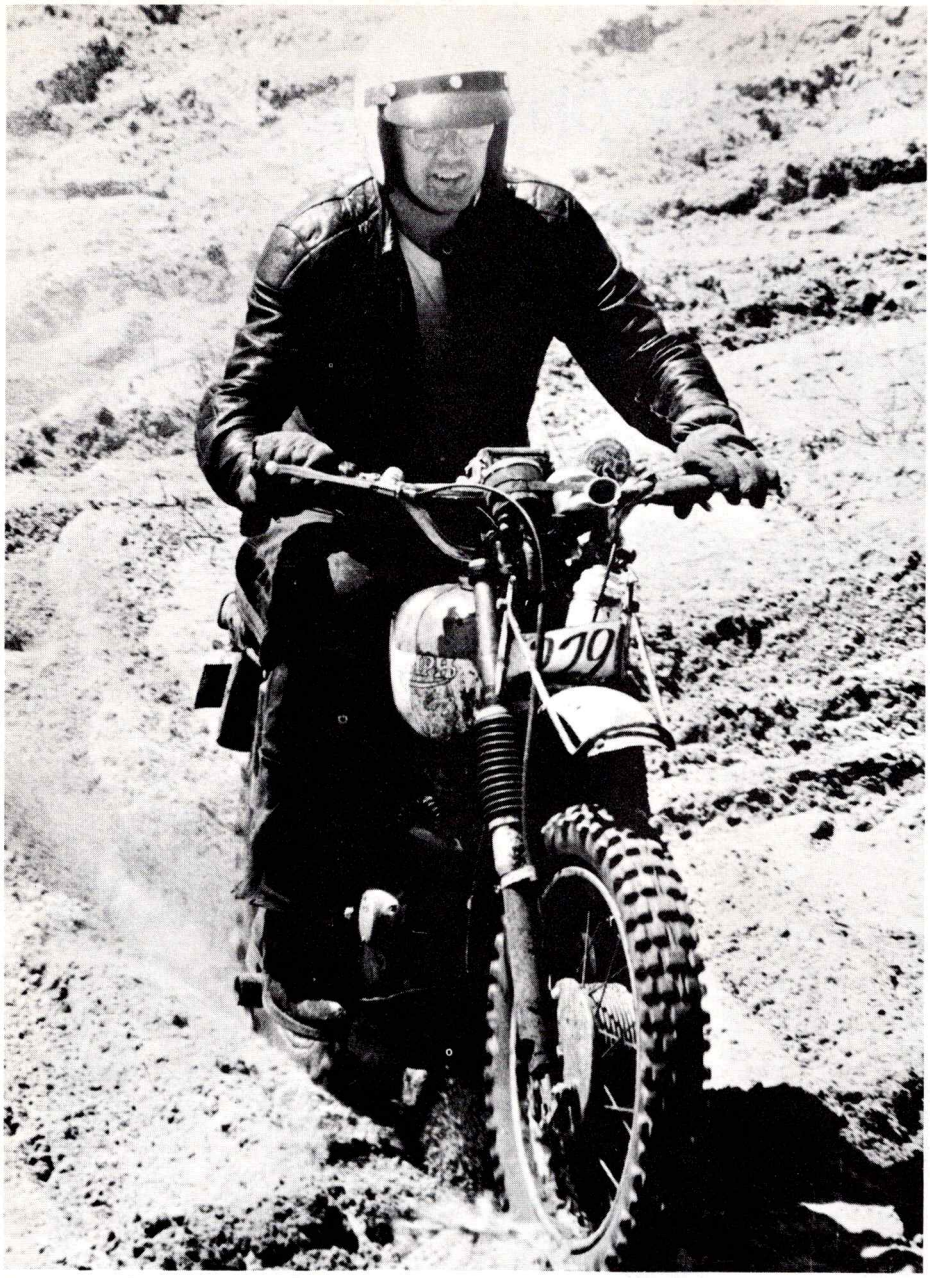
SPORTSMAN COMPETITION



Here comes that man again. Bill Baird, Sterling, Ill., charges his Triumph through the sand on his way to a fourth straight title in the 175 mile national enduro.

Bill Baird, the machinist from Sterling, Illinois, for the fourth straight year came out on top in the 175 Mile National Championship Enduro with a score of 851. He was Triumph mounted. The run, as in previous years, started at the Illiana Speedway, Schererville, Indiana and covered the surrounding countryside. It consisted of nearly everything an enduro rider would want—sand, mud, hills, and some hard surface roads.

The Midwest National Enduro Riders Association, sponsors of the event, did their usual fine job of laying out the run in spite of the rain that seemed to plague the event. The members tried as late as Saturday to re-route some of the course that had been washed out due to the spring rains.

A total of 389 entries from 18 states riding 25 different brands of equipment began leaving in groups of three at 7:01 a.m. on the 189.2 mile journey.

The amply marked course through Northern Indiana was set up at 30 mph average for the first 30 and last 24 miles with the remaining distance at 24 mph.

After some 90 miles through the mud, sand and rolling countryside, those hardy souls reached the noon break at

Sidehack passenger riding buddy helps traction on the long pull.

Now I lay me down to sleep.

175 Mile National Enduro

Bill Baird Tops Field For Fourth Straight Year

By Jack Hall

Roselawn, Indiana. From the looks of man and machine, it was hard to tell which was most tired. But tired or not this was a good chance to make necessary repairs to machines and grab a bite to eat for a lot of energy was needed to make the afternoon part of the run.

In the afternoon many riders found check 12 the stumbling block as equipment and men began to fall by the wayside. For those who made it through the remaining four checks, it was satisfying to know they were one of only a dozen riders who completed this year's run.

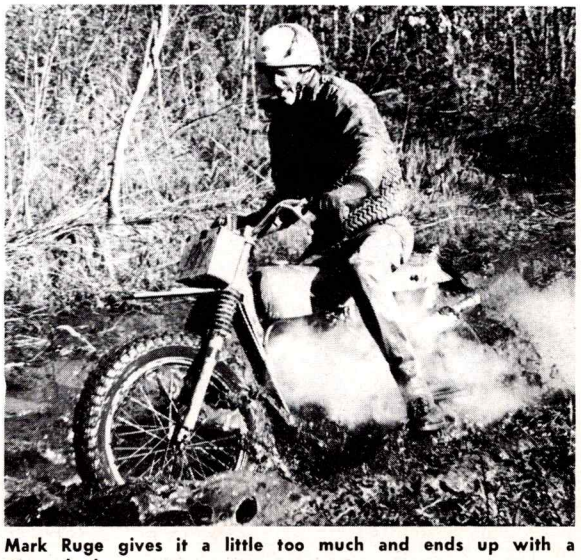
Only one way through and the riders stack up fast when someone has trouble and can't pull out of the water hole.



Mark Ruge gives it a little too much and ends up with a steam bath.

Kawasaki builds motorcycles for people who know what it's all about!

Take the Kawasaki Avenger 350! It's the fastest, most powerful motorcycle in the 350cc-500cc class. Weighing in at only 329 pounds, the Avenger lets you get even with much bigger machines. Aluminum alloy 2-stroke twin with dual rotary disc valves gives you 40.5 horsepower...does the ¼ mile in less than 14 seconds! ☐ Take your revenge out on the Avenger...it can take it! Streak up to 115 mph...climb 40° grades...get up to 80 miles to the gallon. Feel safe, too with double leading shoe front brake, big 18 inch tires, double cradle pipe frame and engineering detail to aircraft tolerances. ☐ Avenger ends two-stroke lubrication worries with INJECTOLUBE...a road racing-developed, pressurized lubricating system used on Grand Prix motorcycle racing circuits. Are you the Kawasaki kind? Find out today. See your nearest Kawasaki dealer. See the Avenger!

Walt Fulton Wins Breckinridge Road Race

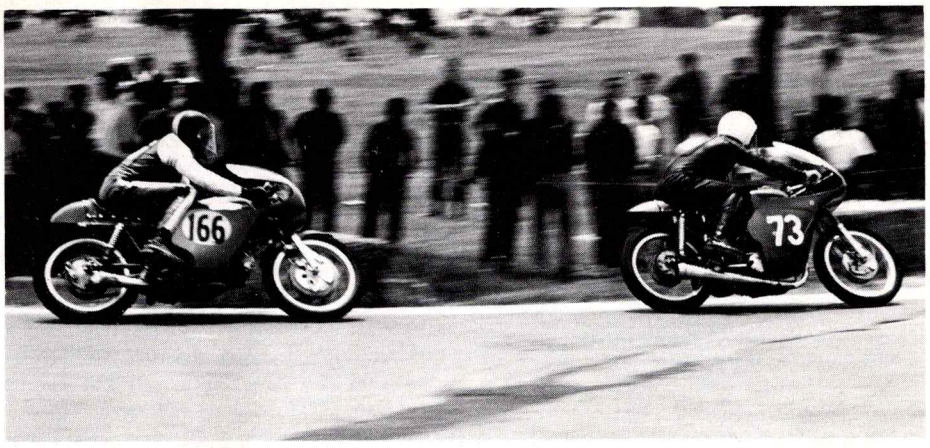
The fifth running of the Camp Breckinridge races witnessed a demonstration of fine road racing finesse between Walt Fulton, III, of Orange, California (H-D) and Ron Muir, Carbondale, Illinois (Suzuki).

After a third row start in the 250 main event, Fulton edged past the trio of Pohland, Browning, and Laux, and set out after Muir who had opened a block lead after three laps. Fulton drafted Muir for three laps then moved ahead on lap 10 in the right hander. Lap times approached 60 mph, almost 6 mph faster than last year. Fulton and Muir were going like smoke on the slick course, lapping most of the 29 starters.

On lap 11, Jim Browning, Evansville, Indiana (Honda) running third, missed a downshift and high-sided through the Warehouse Road intersection, Pohland, Milwaukee (H-D) and Laux, Appleton, Wis. (Ducati) slipped past. Browning remounted to finish fifth.

Fulton leading by eight seconds on lap 17, lost his manifold pipe with Muir closing to five seconds and one lap to go. Fulton tucked in close and led the way home by a good four seconds.

The 175 class was run concurrently with the 250's, with the "Flying" Eugene Johnson, Rock Island, Ill. (Bridgestone) class winner finishing eighth overall.



At the end of lap one Walt Fulton, the eventual winner was running fifth behind Joe Laux who finished in fourth place.

Second place went to Ken Thomas, Murray, Ky (Honda) 12th overall, and third to Glen Spiller, Evansville, Indiana (Ossa), 13th overall. The 175 riders really had their spurs in to finish ahead of many 250's.

Jerry Holm, Peoria, Ill. (Kawasaki) won the 125 class by the largest margin of the day, a 1/4 mile. Teammate, Ken Barth, second was comfortably ahead of Cassell Burke, St. Charles, Missouri (Yamaha) who was drafted home by Jesse Thomas, Cadiz, Ky. (Bridgestone)

250cc - 175cc Main

SPORTSMAN RULES

There have been many requests for information concerning Sportsman events. To answer these inquiries, we will cover monthly from the beginning the rules on Sportsman competition as set forth in the American Motorcycle Association's "Manual of Instruction and Rules for Competition." Part I.

SPORTSMAN EVENTS
ARTICLE XVII
SANCTIONED CLUB EVENTS

Sanctioned club events are a series of games or contests in which prizes are limited to trophies. (Section revised 1966)

MEMBERSHIP OF RIDERS AND CLUBS
Riders

Sec. 1. All riders in A.M.A. Sanctioned Competition are required to be members of the Association. AMA chartered clubs are authorized to pick up the AMA membership cards of contestants when they sign in and return cards at the completion of the event.

Sec. 2. The fee for such membership shall be two dollars ($2.00) for one year, and shall accompany the application. Membership blanks may be obtained from the chairman of the Competition Committee, or from his official representatives and shall be filled out and signed by the applicant.

Sec. 3. Sportsman events are open to all qualified AMA members. Those holding current Expert competition licenses cannot compete in any Scrambles, Lightweight Short Track, or Sportsman Hillclimb events. (Section revised 1966)

Sec. 4. A rider who allows his membership to expire is not eligible to compete in A.M.A. sanctioned competition, but his name is held indefinitely and he can renew his membership provided he has not competed in any unsanctioned competition, or otherwise conducted himself in a manner unbecoming a member of the A.M.A.

Sec. 5. Memberships may be renewed through the A.M.A. office, any representative of the A.M.A., referee, or member of the Competition Committee, or motorcycle dealer.

Clubs

The A.M.A. encourages the formation of clubs composed of those interested in the sport of motorcycling.

Sec. 6. The A.M.A. will issue Certificates of Registration to officially recognized clubs.

Sec. 7. The fee for club registration shall be $5.00 per year, payable annually in advance to the A.M.A.

Sec. 8. Registered clubs must have all of the members in good standing in the A.M.A.

Sec. 9. Printed booklets are available through the A.M.A. on the following subjects: How to Form a Motorcycle Club, Constitutions and By-Laws of Motorcycle Clubs, Keep Your Club Active, Two Wheeled Wisdom-Safety Hints, A.M.A. History.

ARTICLE XVIII
SPORTSMAN
SANCTIONS

Sec. 1. Every club or promoter must apply for a sanction before running any type of contest. Due to the increase in all types of AMA activities it is not possible to issue only one sanction on a specific date in each district. In issuing sanctions, the AMA office classify events as either Professional spectator, Sportsman spectator, or Sportsman non-spectator. Unless specifically agreed upon by the club delegates attending the annual district sanction meeting, the AMA will approve sanctions for the different types of events on the same date. Examples of each type of event are:

Professional spectator—Formula "C" dirt track
Sportsman spectator—Scrambles
Sportsman non-spectator—Enduros

Sec. 2 Blank forms for Application for Sanction may be obtained from the A.M.A. office and must be filled out in detail before any sanction can be issued.

Sec. 3. All applications for sanctions (except National Championships) must be in the hands of the A.M.A. at least twenty days in advance of the date set for the contest. If sanction is requested in less than twenty days, a double fee must accompany the application.

Sec. 4. Application for sanction for National Championships must be in the hands of the A.M.A. at least thirty days in advance of the date set for the annual competition committee meeting. If sanction is requested in less than thirty days a double fee must accompany the application. No Sportsman events run in conjunction with a National Championship shall be permitted to run on the same day as the National Championship.

Sec. 5. Sanctions are non-transferrable and non-assignable. No refund of sanction fees will be made by the A.M.A. for unused sanctions. All sanctions must be used during current year.

Sec. 6. Cost of sanction will be found under the specific rules of each type of contest.

Sec. 7. Sanctions for Sportsmen events will be issued only to AMA clubs except in cases where they are held in conjunction with a Formula C program. (Section revised 1966)

Sec. 8. No club or promoter will be allowed a sanction for a contest until the official referee's report has been made to the A.M.A., covering the last contest promoted.

Sec. 9. No changes will be permitted in the program sanctioned by the A.M.A. unless by approval of the chairman of the Competition Committee.

Sec. 10. Sanctions will not be issued for tracks, speedways, courses, or roads unknown to the chairman of the Competition Committee or members of the Committee.

Sec. 11. The A.M.A. reserves the right to refuse sanction to any promoter who in the past conducted events of a questionable character.

Sec. 12. Any sanction may be withdrawn or cancelled at any time if the Rules for Competition are not followed.

If official Sanction Application is not available, sanction may be applied for by including the following information in a letter addressed to the A.M.A., Worthington, Ohio office, accompanied by the proper sanction fee.

Name of Promoter .....
Address .....
City ..... State .....
Telephone .....
Date of Event .....
Type of Event .....
Location of Course .....
Entry Fee .....

ARTICLE XIX
SPORTSMAN
ENTRY RULES, BLANKS AND FEES

Sec. 1. A sample rider entry blank shall accompany each application for Sanction and shall be subject to A.M.A. approval before being issued.

Sec. 2. Provision must be made on entry blank for signature, printed name and address of rider entering any event.

Sec. 3. The promoter or club shall prepare entry blanks, which must contain spaces for the following information:

SAMPLE ENTRY BLANK

To be Filled Out by Rider

Name
Address of rider
Classification of rider
Expert..... Amateur..... Novice.....
A.M.A. Membership No.
Date registration expires
Make of motorcycle
Motor No.
Piston Displacement
Classification of Equipment
A..... C..... Sportsman.....
Responsibility Clause

"I hereby agree to conform to and comply with the Rules governing this contest in connection with the Competition Rules of the American Motorcycle Association, and I further agree to hold blameless the American Motorcycle Association, the Contest Committee, local management and track owners or lessees for any loss or injury to myself or property and to assume responsibility for any loss or injury to myself or property in which I may become involved by reason of participation in this contest."

Have you read this entry blank?
Signature of rider

To be Filled Out by the Promoter

A.M.A. Sanction No.
Special Rules governing this Contest
Entry Fee, if any
Number of Prizes
Prize Money of each event
Classification of Equipment
Complete list of events
Classification of Riders who may appear in each event

The following statement must also appear:

"Under the Rules and Sanction of the American Motorcycle Association."

Sec. 4. All entry blanks must have a specified pit closing time for rider and equipment, otherwise 12:00 noon.

Sec. 5. All entry blanks must be signed in ink by contestants. The AMA will uphold the action of any club refusing the entry of any rider who has not made proper arrangements for the payment of hospital or doctors bills incurred as a result of injuries sustained at prior events promoted by that club.

Sec. 6. Not more than two motor numbers can appear on an entry blank.

Sec. 7. There can be no entry fee charged for race meets, short track, road races, speedway races, T.T. races, or hill climbs.

Sec. 8. Promoters must assume the responsibility for collection of entry fees, if any.

Sec. 9. In all types of competition where an entry fee is charged the maximum shall be $2.00. (This is not to be construed that an entry fee must be charged.)

ARTICLE XX
SPORTSMAN

DUTIES OF REFEREES AND OFFICIALS

Sec. 1. The Referees of all meets shall be appointed by or have the approval of the Chairman of the Competition Committee. In districts having duly elected district commissioners, or sports committee referees, these persons are recognized authorized officials for Sportsman events and the AMA will support the enforcement of AMA rules by these officials.

Sec. 2. The principal officer of any meet shall be the Referee, who shall act as general supervisor of all affairs of the meet.

Sec. 3. The Official Referee shall not under any conditions attempt to carry out the duties of any other official of the meet.

Sec. 4. The Referee must be a member of the A.M.A. and in good standing.

Sec. 5. Specifically the duties of the Referee shall be as follows:

(a) Determine if all other officials are on hand and doing their duties properly

(b) Satisfy himself that the course is safe for the contest at the time of the meet and call the meet off at any time that conditions make it unsafe.

(c) Determine if all riders are qualified to safely negotiate the course and prohibit any riders not so qualified from competing. Referees will direct the starter to Black Flag riders off the track if any of the following conditions exist:

Excessive oil leaking from motorcycle
Exhaust pipes or other parts hanging from motorcycle
Loose number plates

(d) Provide for a technical and safety inspection of equipment and render all decisions pertaining to equipment being used by the riders and bar any equipment which does not conform to equipment and safety regulations.

(e) Check promoter for prize money, trophies, or prizes and see that they are available at the conclusion of the meet.

(f) Receive all protests and render decisions thereon, subject to appeal to the Chairman or the Committee itself.

(g) Render all decisions on disqualification of riders, and disqualify any rider who knowingly, or otherwise, violates any of the rules of the meet or the A.M.A.

(h) Make a full report to the Chairman of all details of the meet and mail the same within three days to the Chairman of the Competition Committee. Engine numbers will not be required on referee reports from Sportsman events. Only the make of motorcycle need be shown.

STARTER

Sec. 1. The Starter shall have control of the riders from the time they are reported by the Clerk of Course until the race has taken place.

Sec. 2. The duties of the Starter shall be:

(a) To give complete instructions on the rules of the race and starting rules to all riders. This shall include information on flags, and details of the course.

(b) Determine that a complete set of flags is available for use during the race.

(c) Assign extra flag men, when required, at various points throughout the course.

(d) Determine if checkers, timers, umpires, etc. are ready and in place before starting the race.

(e) Position riders at starting line, start the race, give halfway flags, last lap flags and finish flags.

(f) Flag off of course any disqualified riders and otherwise direct the progress of the race with flags, and subject to the instructions of the Referee.

(g) Corner men must be instructed about their duties and how to perform this important duty. In case of a corner accident, the cornerman should wave his flag vigorously over his head if an ambulance is required. Flag and free hand held up in stationary position indicate "OK" everything under control.

FLAGS

Approved AMA flags - MUST be used:

WHITE—Start of race.
YELLOW—One lap to go to finish.
RED—Danger on track—does not mean hold position.
WHITE with RED CROSS—Ambulance flag—indicates that an ambulance is on the track or course, does not mean hold position.
WHITE with BLACK CENTER—Move over, another rider trying to pass.
BLACK 1" WHITE BORDER—Disqualification or stopping of race—report to referee at once.
BLACK & WHITE CHECKERED—Finish, end of race.

There shall be four red flags for the use of Umpires in addition to that for the Starter. The white, yellow and red flags shall be 30 by 30 inches. The Checkered flag be alternated squares of black and white, 5 by 5 inches, the flag measuring 30 by 30 inches over all. The ambulance flag shall be 30 by 30 inches, white with a Red cross, 20" high, 20" long and at least 6" wide in the center of the flag.

Any event may be considered completed if it is necessary to stop the event after one-half of the scheduled distance has been run.

CLERK OF COURSE OR STEWARD

Sec. 1. The Clerk of Course shall be appointed by the referee.

Sec. 2. The duties of the Clerk of Course shall be:

(a) Exhibit a list of all events.

(b) Receive all entries and check their A.M.A. cards. If rider is not a member of the A.M.A., the Clerk shall require payment of $2.00 for Membership and turn this over to the Referee.

(c) Check rider classification and place riders in proper events.

(d) Check as far as possible all machines to Equipment specifications for the type of meet in question, and report any discrepancies to the Referee. This duty may also be handled by the Technical Committee if one has been appointed.

(e) Check all motor numbers against entry blanks.

(f) Announce to all riders the events they are in and see that they are at the starting line at the proper time.

(g) Keep a complete record of winners and places of all riders in all events, and turn all records over to the Referee at the conclusion of the meet.

(h) Notify riders to appear at the starting point in time for each event in which they are entered and assign proper starting positions.

HEAD CHECKERS, SCORERS AND TIMERS

Sec. 1. The duties of the Head Checkers, Scorers and Timers shall be as follows:

(a) See that a suitable checking standard is provided and at the proper place on the course.

(b) See that the promoter or others have provided all of the necessary equipment for proper checking.

(c) Provide, or see that the promoter has provided, a sufficient number of checkers, callers, roll checkers, master checkers and pit checkers.

(d) Complete all checks and receive any questions with regard to results of the check.

(e) Advise the starter when the checkers are ready and keep the starter informed on finish information of each rider.

(f) Scorers, when required by the type of events in question, shall keep all scores and turn the same over to the Referee.

(g) Timers shall provide, or be provided with, suitable timing equipment in accordance with specifications for the type of event and shall keep an accurate record of all times and report the same to the Referee.

Checking

Sec. 1 In all races of 25 miles or more in length it is urged that the Official A.M.A. Checking System be used. In all Championships it MUST be used. A description and the method used in this system will be found in this book.

JUDGES AND UMPIRES

Sec. 1. Judges, when required by the type of event, shall be assigned by the Referee or the promoter to act as Judges of the finish or outcome of any event.

Sec. 2. Umpires, when required by the type of event, shall be assigned by the Referee or the promoter and shall watch the progress of the contest and report any infractions of the rules.

General Information to Officials and Promoters

Sec. 1. The success or failure of any meet depends largely upon how the meet is conducted, the preparation before the meet and the courtesy of the riders. The following reminders will be helpful.

(a) Start the meet on the advertised time.

(b) Have all officials and helpers uniformly dressed.

(c) Urge riders to use clean equipment and clothing.

(d) Keep pits away from spectators.

(e) Assign assistants to help riders get out on time for their event.

(f) Keep the course and surrounding grounds neat and orderly.

(g) Provide proper seating facilities for spectators and safety ropes wherever possible

(h) Provide Rest Rooms

(i) Provide suitable parking facilities for motorcycles and cars.

(j) Provide suitable road markers leading to the course or track.

(k) Obtain, if possible, a prominent person to act as Honorary Starter.

(l) Always provide a program, if possible, showing the riders' names in accordance with the numbers they will use.

(m) Remember that PREPARATION before the meet will result in a better meet every time and that the spectators will increase in number each time if a good show is put on.

The Track

Sec. 2. Promoters, etc. shall provide a sufficient number of police or marshals to keep the track and fences clear of spectators and otherwise insure safety.

Sec. 3. Promoters must take adequate measures for the prevention of dust on the track. Dust must be laid by oils, calcium chloride, magnesium, chloride, or other similar preparations.

Sec. 4. Promoters of racing events must have an ambulance, with operating oxygen supply, an attending physician or qualified first aid personnel present at the track at all times. The cost of this service and track to hospital ambulance service is responsibility of the promoter. No event shall be started, including practice and time trials, until these facilities are at the track.

---

110 Mile Road Race Moves

Due to track difficulties, the 110 mile national championschip road race has been canceled at Des Moines, Iowa. The event has been transferred to the Indianapolis Raceway Park, Indianapolis, Ind., stated the sponsor Floyd Clymer. The Indianapolis Raceway is eight miles from Indianapolis.

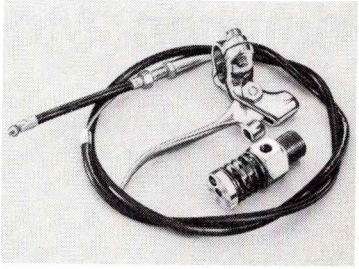
QUALITY ACCESSORIES



2-cycle compression release

The hottest innovation in years for all popular two stroke machines currently being used by all top riders in Short Track, T.T.'s, Scrambles and desert events. When used, this compression release acts as a brake and enables riders to corner faster and provides much better control in areas where the rear brake is normally used. To install, it is necessary to drill, tap (14mm), and spot face or fly cut cylinder head. Supplied with lever, cable and compression release assembly (½" reach).

Active!!
Six Letter Word For
Grumman Motorcycle Club

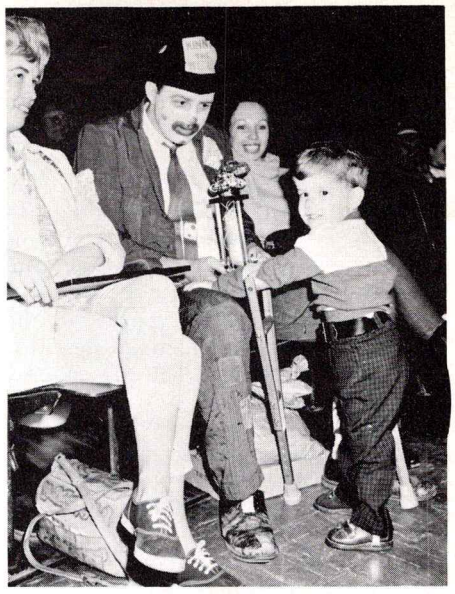
Charter number 2058, issued January 31, 1967 to a group of motorcycle enthusiasts at Grumman Aircraft at Long Island, New York, has become one of the most active clubs on AMA's roster of over 1,500 clubs.

Club Secretary Susan Christie explains, "the purpose of our club is to promote motorcycle safety and to provide our employees and their families and friends with hours of fun with such events as field meets." In addition, as pointed out by Club President Bill Taylor, the club works long and hard to create a good image of motorcycle clubs with the public. "One way we accomplish this task is to invite local public officials to our events and meetings. Let them observe first hand that we as a group do not represent the bad side that too often make the headlines," said Bill.

When Grumman MC sponsors an event you can be certain that a lot of time and effort has gone into the preparation long before race time. Fifty-one entries and over 400 spectators present at Grummans April 23rd Observed Trials will vouch for this pre-race work. The course was challenging. As described by Referee John McNeill, "it was not laid out for a Sunday ride and those who finished were tired, but happy."

It has been reported that Grumman MC is now attempting to acquire property for the purpose of holding Sportsman Scrambles events. Clubs from district 4 and 5 should make note to watch for future events sponsored by Grumman.

Results of their recent observed trials were: Lightweight Woods, 1. Ray Esposito (GUA), 2. John Lesquereaux (YAM), 3. Vincent Furno (HON), 4. Alfred DeNeuve (MON); Heavyweight Woods, 1. Dennis Lublin (BSA); 2. Bill Fritz (YAM), 3. Martin Ripp (HUS), 4. Herman Mujsce (BSA); Lightweight Road, 1. Ronald Weber (YAM), 2. James Lacy (HON), 3. Joseph Lee (DUC), 4. Matthew Simpson (DUC); Heavyweight Road, 1. Theodore Maurer (BSA), 2. Thomas Ward (H-D), 3. Paul Seidenspinner (TRI), 4. Richard Watcki (H-D).



Timmy Faas representing the March of Dimes Foundation stops to chat with Kinny the Klown after presenting awards. Kinny gave candy and balloons to the children in Children's Ho-pital.

Cyclists Ride For Dimes

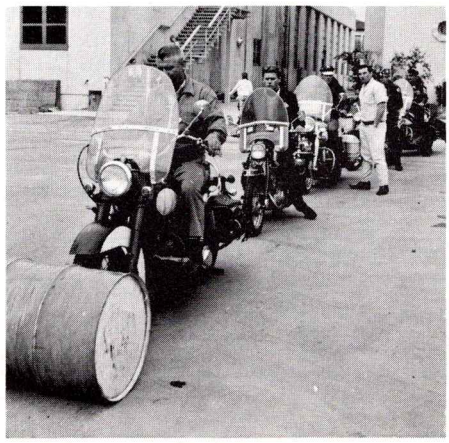
By Robert G. Fee

Heavy rain clouds and intermittant showers intimidated Southland Road Riders and only 127 cyclists braved the elements to ride the fifth Annual March of Dimes Poker Run, Sunday, March 12th.

Four motorcycle clubs combined to present the event under the sponsorship of the National Foundation for the March of Dimes. The riders signed in for the event at the Norwalk (Calif.) City Hall. Norwalk Mayor Pro-tem, Demy Apodeca opened the building to provide rest facilities. Those interested in the ultra modern edifice didn't find it hard to get a guided tour through the spanking new 1.3 Million Dollar Civic Center conducted by Mr. Apodeca.

The first check point was in Long Beach at 25th and Western Avenues. From the second check at Western and Washington on the outskirts of the Los Angeles Civic Center, it was a short five mile ride to Washington and Grand and the Los Angeles City Trade Technical School. The riders parked their machines in the main parking lot and found the finish table in the school's main patio.

Individual games were conducted by the referees and a barrel roll contest was held to test the contestants skill with their machines.



One of the many games held for competing cyclists was this barrel roll.

At 2:20 p.m. the riders moved into the large auditorium for the program and trophy presentation. Mr. George West of the National Foundation welcomed the riders and expressed the Committee's appreciation for their attendance. Dr. Nichols of the Children's Hospital, showed several slide photographs of some of the less shocking examples of birth defects and their successful treatment. When the riders left, they felt that they knew where and for what their money was going.

Wally Howard took the mike and in short order had made the awards of trophies and merchandise. Lee Harrison of the Knight's MC reported that $168.00 (70% of the take-in) was turned over to the March of Dimes. Mrs. Carmelina Large, Field Service Representative of the National Foundation was naturally disappointed with the inclement weather but quite delighted that so many motorcyclists put their best wheel forward and turned out in spite of the dampness.

Plans are already underway for the 1968 event and the clubs hope to make big improvements.

Mrs. Lois C. Bodoh, Secretary of the Okaw Valley MC writes that their Club President, Earl Richarson, and another member, Remus Stuart, presented a wheel chair to the Veterans of Foreign Wars. The presentation was made this spring out of proceeds from a Field Meet conducted by the club last summer. Other members of the VFW Memorial Post 9030 who helped were Pat Cummings, Officer of the Day; Albert Shields, Commander; Harland Conner, Chaplain, and Earl Hendrickson, Senior Vice Commander.

Nine judges were necessary to break the tie between these two customized machines. A tiny nick on Jim Blackmon's right mirror finally eliminated him.

Male solo dress competition winners are: (l-r) Robert Carter, foreign stock; Bud Priest, domestic custom; Larry Brannen, domestic stock; Delmar Hatley, domestic modified stock; and Allan Baltazar, foreign modified stock.

CLUBS

City Of Hope Medical Center Receives Cyclists' Donations

By Robert O. Fee

The best wheel of motorcycling was extended for the 7th time in 29 Palms, California, when 677 road riders entertained the annual Spring Tour for the Benefit of the City of Hope National Medical Center at Duarte, Calif. Another estimated 350 motorcyclists attended the rally as spectators. Local townspeople and residents of the surrounding high desert areas swelled the crowd to about 2500 during the riding exhibitions.

Six hundred riders participated in the parade and took 15 minutes to pass by the reviewing stand. All along the main street merchants and shop keepers posted signs in their windows reading "Welcome AMA," "Welcome Motorcyclists" and on the marquee of the town's only theatre, "Welcome City of Hope Road Riders." Local businessmen work very closely with the motorcyclists and donate much merchandise to give away during the rally. The 29 Palms Chamber of Commerce co-sponsored the tour with the southern California motorcycle clubs.

Immediately following the parade, the Ace of Clubs MC performed precision drill maneuvers for the assembled riders and citizens.

The internationally famous Victor McLaglin Motor Corps presented a breathtaking exhibition of individual riding skills and stunts. An appreciative audience warmly applauded both groups.

Field events occupied the rest of the afternoon concurrent with such attractions as a Redeye Missile display and a 10 ton tank provided by the United States Marine Corp. The Corps also showed combat movies from Vietnam during the afternoon. There was also diagnostic test equipment that performed checks on motorcycle engines. Cold drinks, hot dogs, etc. (all donated) were available throughout the day.

A delicious barbecue beef dinner, catered by Bud Ford, 29 Palm's leading restaurateur, was served the hungry riders Saturday evening. The riders consumed nearly a thousand pounds of beef accompanied by Boston baked beans, cole slaw, hard rolls and over 60 gallons of coffee.

Sunday morning saw clubs and individuals dressed in their finest standing out for the best dressed competition.

At 11 a.m., the winners of the dress competition and field events were awarded the very distinctive and unique Torch of Hope trophies. The Torch of Hope is available to motorcyclists only on the annual Spring Tour and is valued as absolute tops by the recipients.

The tour netted $3,613.68 for the City of Hope. A very good example of "Putting the best wheel forward."

Gal solo dress winners are: Judy McCombs, foreign custom; Phyllis Clark, foreign stock; and Shirley Sentell, domestic modified stock.

One of the many family groups parading through downtown 29 Palms is the Stoddards of the Norwalk Rockets MC.

Benefit Held

The Happy Ramblers MC of Hanover, Pa., in promoting a better image for motorcycling, held a benefit dance for the March of Dimes. Pictured from left at the check presentation are Richard Weaver, McSherrystown Moose; Richard Groft, Club Treasurer; Harry Walters, Chairman of the March of Dimes for Adams County, and Richard Thompson, Club president.

MOTOR MAIDS

By Leslie Pink

Welcome new members — Sharon Busche, Fort Wayne, Ind.; Mary Miller, Reading, Pa.; Ann Ferris, Mount Holly, N.J.; Esther Smith, Bellflower, Calif.; Mildred Melvin, Dover, Del., and Dorothy Weatherholtz, Lebanon, Pa.

The girls from Northern California will miss one of their hard workers—Ann Gloor who is moving up to Newborn, Ore. Sporting a new residence also are Bobbie and Ken Lewis in Campbell, Calif. Paula Kranich of Stockton, Calif. has brightened up her Triumph with a bit of chrome here and there. Alberta Swisher, also of Stockton, has a brand new BMW. Dee Blake, and Bobbie and Ken Lewis are planing to attend races on July 8th at Castle Rock, Wash., and catch the July 16th 20 Mile National at Portland, Ore. Audrey and Bruce Hawkins from Sacramento, Calif. will meet them at Portland. Sounds like loads of fun for these west coast folks.

Those girls who would like to relive their trip to Sturgis, S. D. will have a chance the second week-end in August. Pat Anderson, State Director for that area has plans already made. The week-end gets off to a flying start on Friday night with a program in the park. Saturday morning at 9:30 a.m. enjoy coffee and rolls at Carls Motel. Gulp your last mouthful and off on a road run featuring the beautiful South Dakota countryside (it's breathtaking). Saturday there will be a banquet starting at 7:00 p.m. Sunday morning there will be a breakfast followed by the parade at the race track at 12:30. Now—if that doesn't sound like fun—I don't know what does. Just a few weeks later—Labor Day Weekend—Pat has more doings going on in Minneapolis Friday night you can enjoy a coffee party at Dot Fisettes (Be careful girls—those Fisettes are still looking for carpenters—don't bring your tools). Saturday morning brunch at 10:00 a.m. at the home of the hostess. 2:30 dinner at Bernice Litz's home with a ride for dessert. 6:00 p.m. a field meet and Sunday morning at 10:00 a.m. a road run—followed by a 1:00 p.m. lunch. Our money-minder, Jeannie Griffin, and hubby have bought a house on the bay out Minneapolis way. Gee girls—do you think we should call for an audit of the books. I don't think so—kindergarten teachers can't be all bad, and Jeannie's husband is too handsome to be in the wrong. Rainy weather has plagued most of the country and out Minneapolis way, Judy Lee was able to win a 6th place in a run featuring hail, rain, wind and cold. Mom and Pop—the Fisettes stayed home where it was nice and warm.

Dot Robinson was a busy hostess at Daytona this year. Had a luncheon for the Motor Maids and understand about 40 girls attended.

Rain dampened Mary Cutright's May Day Parade for the Veterans' Hospital in Chillicothe, Ohio. The girls arrived on Saturday and Mary prepared a turkey dinner for the girls. Mary Niks whipped up some of her home-made noodles to top off the meal. The parade had to be called off on Sunday because of rain. The girls attending were Mary Niks, Dot Robinson, Marie Scott, Marge Moreland and daughter, Glenda, Margie Yoke, Mabel Hutchinson, Lucy Vlasik, Lois Gutzwiller and Jeanne Deak.

The Iowa Motor Maids had a chance to get together at the Iowa Dealers' Association Spring Tour held in May, at Cedar Falls, Iowa. Those attending were Marguerite Cassen, Ann Jensen, Florence Simpson, Margaret Wilson, Dot Wilwert and Susie Martelle. Even though the weather was droopy—rain and showers all day—the girls enjoyed each others' company and had a good gab fest. Some of the girls made their plans for Convention, and look forward to a trip East.

The Metropolitan Chapter girls held their May meeting at the home of Gloria Tramontin Struck in Clifton, N.J. The dining room table was cleared so that the girls could get busy mailing out their advertising for the upcoming road run schedule for June 4th. Girls attending were Joan Watson, Susie Popp, Suzanna Popp, Margaret Van Duynhoven, Bunny Armstrong, Leslie Pink, Marva VanDyke, Jackie Carroll, Janet Nixon, Gloria Struck. They were happy to welcome new Motor Maid, Laura McDonald of Hempstead, N.Y. who attended their meeting.

It is with deep regret that we report the passing of one of our faithful Motor Maid husbands—Leonard Flick, husband of Barbara Flick of Findlay, Ohio. Leonard was stricken by a heart attack. We will all miss him at our events and extend our deepest sympathy to Barbara in her loss.

Motorcycle Industry Is Vigorously Promoting Safety, MS&ATA Official Tells Traffic Institute

Motorcycle and motorscooter safety has become one of the most vigorously promoted aspects of the entire motor vehicle field this year, according to an official of the two-wheel industry's trade association.

Walter C. Davidson, Governmental Relations Chairman of the Motorcycle, Scooter and Allied Trades Association, in an address before members of the Northwestern University Traffic Institute's Police Administration Training Program, said that the number of two-wheeled motor vehicles using public roads has now reached the 2-million mark and that most states now realize the necessity for special licensing and training programs. Less than 10 of the 50 states had separate licensing and testing for cycles before this year. Davidson noted that at least 20 others would consider passing licensing legislation for two-wheelers during current sessions.

In the area of training, the MS&ATA official reported signs of new activity at the local level around the country. He said that the trade association has accelerated motorcycle safety promotion with special campaigns conducted in cooperation with national, state and local organizations.

Davidson also called attention to the cooperative program between the MS&ATA and the American Association of Motor Vehicle Administrators to familiarize motor vehicle test examiners with the characteristics of two-wheeled motor vehicles. This effort has produced a motion picture, now in circulation to state motor vehicle bureaus. The film suggests a uniform examining program for motorcycle and scooter operators.

Walter Davidson

Technical standards for the vehicles themselves are an important part of the safety program, according to Davidson. He stated that the association was endeavoring to develop specifications for proposed national standards on tires and tubes, wheel rims, handlebars, brakes, electrical systems, controls, muffler systems, directional signals and seats. This technical information will be offered to the National Traffic Safety Agency, headed by Dr. William Haddon, Jr.

The industry executive urged all public and private organizations involved in traffic safety to join the MS&ATA in advocating expansion of current driver education programs to include motorcycle and motorscooter training. He said that such an expansion was vital to improvement of safety conditions for the millions of operators of two-wheeled motor vehicles in this country. There are now more than 2-million cycles and scooters using public roads, Davidson declared. Until every state has special licenses for two-wheelers, the number of riders will not be known, he added.

Motorcycle-Scooter Safety Film Wins National Award Of Merit

An Award of Merit from the National Committee On Films For Safety has been voted to the motion picture, "Licensing Operators of Two-Wheeled Vehicles," produced for the American Association of Motor Vehicle Administrators (AAMVA) by the Motorcycle, Scooter and Allied Trades Association (MS&ATA).

The film, which competed in the traffic and transportation group, was designed primarily to aid state driver licensing examiners in developing procedures for testing the operators of motorcycles and motorscooters. It also is being offered to driver education courses, safety education programs, television stations and other public service outlets.

Highlights of the 14 1/2 minute motion picture include tips on safe and skillful operation of two-wheeled vehicles, basic information on the handling of two-wheelers as compared to four-wheeled vehicles, and procedures of road-testing of cyclists as recommended by the AAMVA.

In announcing the award, William Englander, secretary of the National Committee on Films for Safety, cited the film's contribution to the prevention of accidents. He said that the 24th annual contest again drew a high number of entries.

Copies of the award-winning film can be purchased or rented from the AAMVA, 404 Madison Building, Washington, D.C. 20005.

"Licensing Operators of Two-Wheeled Vehicles" was filmed by Evans Sight & Sound Productions of Salt Lake City, Utah.

Blessing of the Bikes

Starts Motorcycle Safety Week

"Being aware of the rapid growth of the sport of motorcycling and mindful of cycling's wide popularity, especially among the younger generation, it is our desire to do everything within our power and influence to promote motorcycling safety and skill throughout the State of Michigan." These are the words of George Romney, Governor of the State of Michigan as he proclaimed the week of May 14 through May 20, 1967 as Michigan Motorcycling Safety Week.

This proclamation was issued by the Governor to coincide with the May 14 Motorcyclist Convocation held at Fitzgerald Park, Grand Ledge, Michigan. This interfaith convocation dedicated to faith, safety and skill was sponsored by the Grand Ledge Motorcycle Club with the cooperation of the American Motorcycle Association. It was endorsed by: Attorney General, Frank J. Kelly, Col. Fredrick E. Davids, State Police Director, State Safety Commission Executive Secretary, Gerald W. Shipman, Robert Fish, City of Portland Police Chief, City of Grand Ledge Mayor, Alvin Kempf and the Police Chief, William Eveleth.

Governor Romney urged every citizen regardless of age or interest to give their whole-hearted support to a program of safety, now and throughout the entire year so that this growing sport may enjoy its continued popularity in Michigan.

STATE OF MICHIGAN

Executive Office ★ Lansing

PROCLAMATION

MOTORCYCLE SAFETY WEEK

Motorcycling has proven to be an increasingly popular pastime and mode of transportation in Michigan and throughout the nation.

While most riders are devoted to the safe and sane use of their two-wheel vehicles, there are others who have given motorcycling a bad name because of lawlessness, recklessness and irresponsibility.

Responsible and law-abiding cyclists, mindful of this damaging reputation, seek all means possible to demonstrate their genuine concern for the safe use of their machines. They seek also to prove that they are not public nuisances, but rather they are mutual partners with other drivers to make our roads, highways and freeways safe for everyone to use and enjoy.

A program to develop the idea of skill and safety is being sponsored by the Grand Ledge Motorcycle Club. An interfaith religious convocation dedicated to Faith-Safety-Skill will be held Sunday, May 14, with the cooperation of the American Motorcycle Association, Michigan Safety Commission, City of Grand Ledge, and other interested organizations.

THEREFORE, I, George Romney, Governor of the State of Michigan, do hereby proclaim the week of May 14 through May 20, 1967, as

MOTORCYCLE SAFETY WEEK

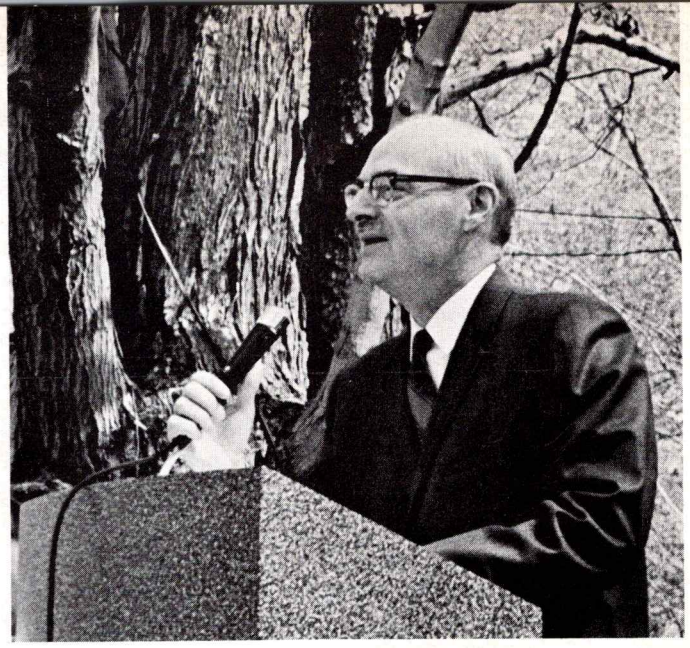
in Michigan, and urge public appreciation and awareness of the steps being taken by the Grand Ledge Motorcycle Club to improve the standards of motorcycling in Michigan.

Given under my hand and the Great Seal of the State of Michigan, this tenth day of April in the year of Our Lord one thousand nine hundred sixty-seven and of the Commonwealth one hundred thirty-first.

GOVERNOR

BY THE GOVERNOR:

SECRETARY OF STATE



Gerald W. Shipman, State Safety Commission Executive Secretary, stresses the need for cooperation by all who use the highways.

Let's Eliminate The Controversy

By Gerald W. Shipman

Executive Secretary, Michigan State Safety Commission

First, I want to compliment the Grand Ledge Motorcycle Club for this program, the "Blessing of the Bikes." In a sense you have made my point by what you have actually done here. Some wise person has said that you can't create an image, you can only reflect and highlight what is there.

By designing and holding a motorcycle rally of this nature you are automatically constructing the better image that most motorcyclists believe in—and automatically reducing the amount of the natural controversy aroused by diverse types of vehicles competing for space on the highway. There is enough publicity already for the wild roistering types racing down the streets and highways to the detriment of individual freedom and the public safety. We could use a lot more about the constructive accomplishments of individual motorcycle riders and organizations. It's all very well to complain about the bad publicity brought about by the "bad guys." We have to remember that activity is what makes publicity. Bad activity makes bad publicity. Good activity makes good publicity.

This program makes good publicity.

It has to go farther than this. When Attorney General Frank Kelley was holding hearings on the prospective amendments to the motorcycle law, there were many representatives of motorcycle organizations, local, state and national, pleading the cause of the cycle rider. They made out a good case for an ideal person who was a good sportsman, considerate of others and respectful of the law. It made a pretty good impression.

The meeting ended. The crowd poured out on the street, hopped on their wheels, milled around a few minutes and took off—like the Marines taking Hill 801! The Attorney General walked out the door just in time to catch a full review of about 40 cyclists roaring up the street in clouds of smoke with a noise like a heavy machine gun battalion in full action, swooping into the street of crowded four-wheel traffic with careless ease and disappearing like dust in a windstorm. They probably felt real good—but I'll remember the expression on the Attorney General's face for a long time to come. That image has to hold up.

Let's face it; there is controversy about motorcycles. There is controversy about all kinds of traffic problems and this is one of them.

Motorcycle registration in Michigan has increased 300 per cent in the past five years. Motorcycle road mileage has increased in similar proportion.

Good riding and good leadership by the organized clubs for all riders can and will help these problems.

We all know that danger adds a certain amount of interest and challenge for a lot of people. But in fairness we have to consider the other people, too. We know that spot checks that have been made revealed that nearly half the motorcycle accidents surveyed were caused by automobilists. This shows we have to do more to make the motorist more aware of the cyclist in both a mental and physical sense. We need to reach out to him and gain his acceptance that a motorcycle must have status, like other vehicles on the highway.

Obeying the rules of the road, riding in the proper position in the traffic stream, making the proper signals, and not taking tight squeak chances that get everybody else on edge all help. Make sure they see you. It is easier to be missed in the rear vision mirrors when you are as small as a motorcycle instead of as big as a truck.

There are always plenty of chances to make an honest mistake. Let's not help it along by careless or deliberate short cuts on what a driver ought to do.

Let's pull the rug out from under the controversy about the cyclist as a questionable denizen of the gasoline trail. Give him that new image. Support and help get good enforcement of the motorcycle laws. Promote good usage of the rules of the road for all vehicles by a good example. Give automobilists and truckers a break; they have more weight to control than you do. Wear your protective clothing; it saves lives.

On the other hand we in the Commission will give you some help. We are interested in *all* vehicle operators surviving to a good old age. We will try to make other drivers more—and favorably—aware of you.

This is a religious occasion. It would be in character to say, "Be missionaries." As the Good Book says, "Be ye doers of the Word, not hearers only." Carry the Word to all other clubs not represented here.

The State Safety Commission wishes this and your other constructive efforts the best of success. When you have the Governor, the Secretary of State, Director of State Police, Director of State Highways, and Superintendent of Public Instruction on your side, you have a lot of friends. Let's keep it that way.

Well over five hundred participants listened to Grand Ledge Mayor, Alvin Kempf, welcome them to Fitzgerald Park as the warm morning sunshine promised a perfect day.

This beautiful Spring morning, Sunday, May 14, was the culmination of many weeks of work for the club members—in particular President Woody Hayes, and Mel Lill.

Riders of all faiths were invited to attend with their bikes for the blessing ceremony. In addition to the riders, many friends and family members were there to hear a short address and prayer by Clergymen of the Protestant, Catholic and Jewish faiths. A token of the Blessing was given to each rider to act in the way of a reminder throughout the year to ride with safety, courtesy and skill.

Trophies were awarded in keeping with the purpose of the Convocation for the rider traveling the farthest to attend, the club represented by the largest number of riders, rider with the largest family group attending, and the oldest rider participating.

TOP-CENTER: Club members become decorators as they prepare the stage at Fitzgerald Park. LOWER: Mel Lill, on step ladder, and Ed Graham take to the trees to set up the P.A. system.

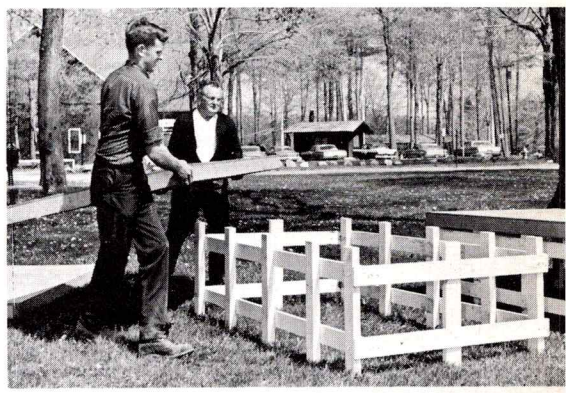
COVER PHOTO

Charles G. Miller, President of Para-Dice MC, Grand Rapids, Mich., leads the color guard parade at the Grand Ledge motorcycle convocation.

Grand Ledge MC At Work

"I was inspired by similar ceremonies which I had attended in the past at Our Lady of La Salette in New Hampshire and at the Shrine of Ste. Anne D'Beaupre in Canada," explained club president Woody Hayes. "When I suggested the idea to our club members they were anxious to take on the task, but only through the co-sponsorship of the City of Grand Ledge and with the help of many others were we able to get the job done," he said.

The officers of the Grand Ledge Motorcycle Club have offered to answer "how to" questions of all clubs who wish to sponsor a Motorcyclist Convocation in their area. Write to: Grand Ledge MC, P. O. Box 51, Eagle, Michigan 48822.



Why Motorcycle Clubs?

There are many who ask . . . what is the AMA? Just what does it do? Who does it represent? Answers to these questions were easy because the answers were so graphically illustrated at the Blessing of the Bikes convocation.

The AMA is its membership . . . sharing in the activities of its membership . . . working long and hard through its members to create clean, well run sports events for the enjoyment of rider and spectator alike. This year the AMA will sanction 5,000 motorcycle sports events. Most of these are sponsored by clubs. Last year over 700 AMA clubs qualified in a National Safety Campaign with all of the club members riding accident free for the entire year.

Hundreds of clubs each year engage in benefit drives. For example: One club in California raised $25,000 for the Muscular Dystrophy Foundation over the past four years. Another club raised $1,200 on one single event to help cover the expenses of delicate operations on a little girl who was badly burned in their community.

There are many wonderful human things done each year to benefit the people of communities who are fortunate enough to have a well organized motorcycle club. The files of the Club Department are jam-packed with similar reports.

This type of thing hasn't just been going on recently. Many of these clubs date back long before the formation of the AMA.

The Crotona Motorcycle Club of New York holding AMA charter No. 8 marked its 50th anniversary this year. The Muskegon Motorcycle Club in Michigan with charter No. 62 joined the AMA in 1929.

At this point the answer to . . . why motorcycle clubs? becomes rather obvious doesn't it? Without clubs banding together to carry out a common goal there would be no AMA. It is at the club level where things really get done!

THE CLUBS ARE THE ENERGY SOURCE

The Association, through its staff members, board of trustees, and the many trained officials has welded together the framework and the steering mechanism to contain and to guide this energy, but without the club members very little could be done.

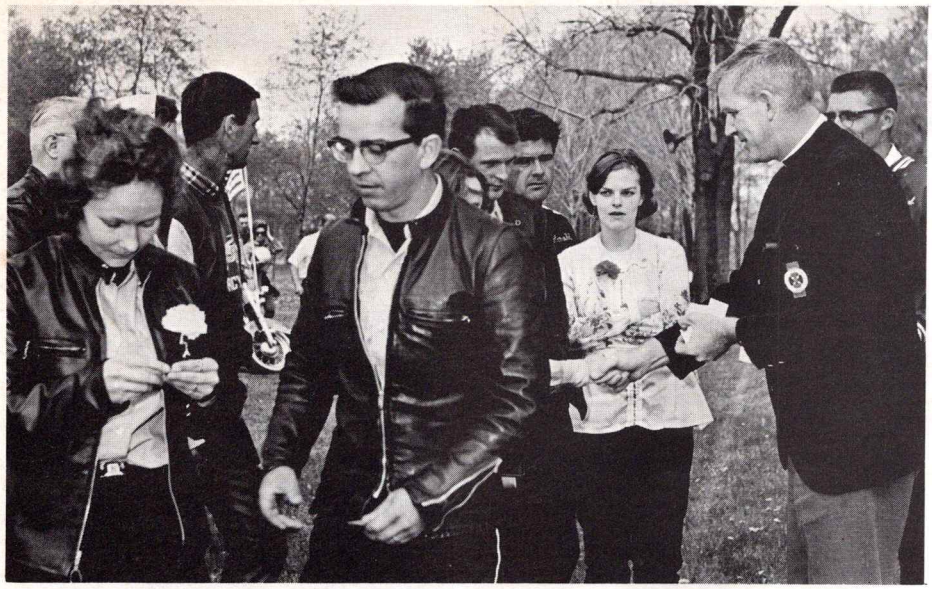
It is a certainty that the clubs are doing their part in keeping their best wheel forward.

Jack Kauffman

Presenting Your Image

Jack Kauffman, lay reader representing Rabbi Philip Frankel, spoke to the motorcyclists of the need to present a good image. "You have all been damaged by a movie that was filmed ten years ago," said Mr. Kauffman. "Even now you are getting bad press because of the wrong doings of just a very few." "It is unfortunate but very true, that many people will form their opinion of all motorcyclists from these movies and stories."

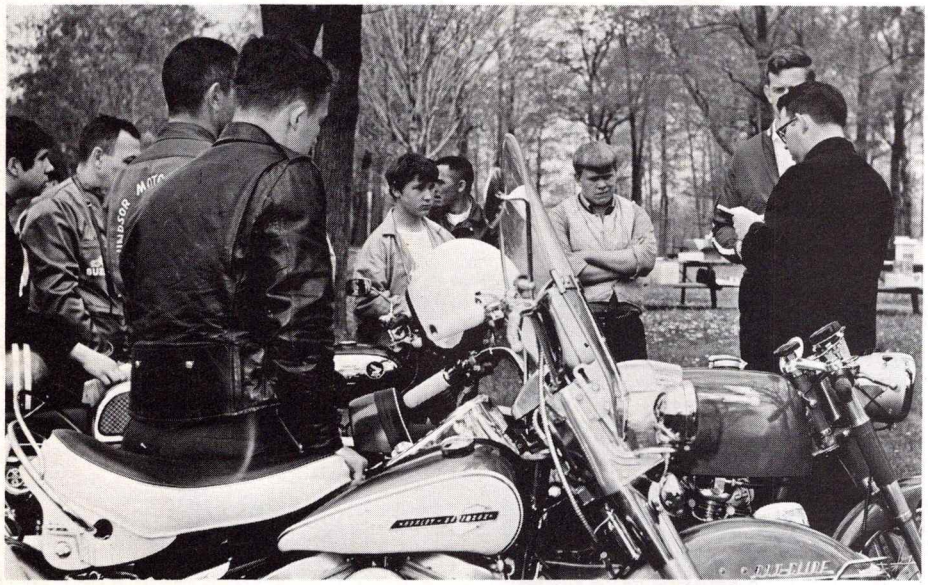
Kauffman stressed the need for the clubs to meet this challenge to protect the good image that AMA clubs across the country have worked for so many years to establish. He suggested those at the Convocation should stress the importance of maintaining a good image particularly to the younger members of their clubs. "Oftentimes our young people are wrongly influenced by what they see on the movie screen," Kauffman said.



The Big Three

Reverend Edward Roth, Rector, All Saints Episcopal Church explained the Big Three to be: faith, safety and skill. "Have Faith in the value of continuing to develop your skill to handle your bike even though you may have ridden for many years and from this dedication to skill you will naturally ride with the highest degree of safety," explained Reverend Roth.

During the blessing ceremonies Roth gave a golden crucifix to each rider as they came forward.



Motorcycling In Africa

Father Simon Sauer, Chaplain, St. Lawrence Hospital, told of over a span of two years how he traveled his parish in Southern Rhodesia astride a motorcycle. His congregation lived within a hundred miles in any direction from him and it was possible to make regular calls only with the aid of his trusty motorcycle.

The audience was delighted with Father Sauer's story of how the children from the villages would run to greet him calling "Simoneey", tuka, tuka, tuka. The children were mimicking the sound of the engine, and tuka, tuka, tuka, soon became the name for the motorcycle in Southern Rhodesia," Sauer explained.

St. Christopher medals were given to those of the Catholic faith.

Greetings to Rep. Anderson

Representative Loren D. Anderson, Michigan (center, shaking hands), came to the Convocation aboard his own motorcycle. Arriving early he parked on the front row and was greeted by many of the motorcyclists who had recognized the lawmaker.

Anderson, as chairman of a House subcommittee charged with the responsibility of drafting a specialized driver licensing law for motorcyclists, proposes to find out what the problem really is by talking to motorcyclists as one himself. Riding a motorcycle is not a new experience for Anderson, who rode them in 1946-47 while in the traffic division of the Pontiac Police Department.

Representative Anderson came to the convocation to officially open Michigan Motorcycle Safety Week by reading Governor Romney's proclamation.

TRADE NOTES

New Starfire Model

BSA Motorcycles, Inc., Eastern U.S. Factory Branch, has announced the availability of the brand new Starfire 250 models. Trying one out is Patty

Miss Patty Wangrycht

Wangrycht of Garfield, N.J., a member of the BSA main office force. Although Patty is an expert swimmer, water skier, and equestrienne, she is convinced that motorcycling is the top outdoor sport for thrills and fun.

Suzuki X-5 Invader

Mr. O. Suzuki, President of the U. S. Suzuki Corporation, announced the arrival of the new 200cc X-5 Invader to the United States.

Mr. Suzuki stated the slightly smaller X-5, developed from its race-bred predecessor — X-6 Hustler, offers sizzling performance from a slightly smaller dual-stroke engine in a lighter frame and at a lower price.

The Invader retains the same Posi-Force lubrication system, while each of the twin aluminum cylinders is fed through an individual 22 millimeter carburetor. The 16.63 lbs./ft. of torque is multiplied through a 5-speed constant mesh gearbox; 23 BHP at 7500 RPM gives a maximum velocity of 80-85 MPH.

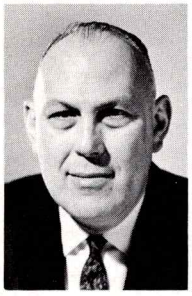
Included are internal expanding brakes, oil-dampened telescopic front fork and rear trailing arm suspension.

Available in candy red or blue as well as jet black. Fender striping, chrome chain-guard and speedo/tach combination are available as dealer-installed extra-cost options.

The Invader is expected in dealer showrooms for spring delivery.

Harley-Davidson Appointments

Harley-Davidson Motor Co. has announced the appointment of Ed Schmitt, Waukesha, Wis. as Sales Promotion Manager, Dick Marshall, Menomonee Falls, Wis. as Assistant Service Manager, and Dick Reiter, Cedarburg, Wis. as



Marshall

Schmitt

Reiter

District Manager for southern Wisconsin, northern Illinois Lake County Indiana, and upper peninsula of Michigan.

Schmitt, who was golf car sales representative will initiate national sales promotion for all product lines and a new dealer sales training program.

Marshall, who has been with the company seven years and was a former motorcycle dealer, will deal with service questions on a national level, the company said.

Reiter will supervise all dealer activity in his area.

BSA Offers New Service Manual

BSA, Inc. has announced a brand new, extremely comprehensive Service Manual is available through their dealers. The manual includes hundreds of illustrations, line drawings, sequence of assembly drawings, complete text covering the disassembly, service operations and reassembly of all components of 1967 BSA twin cylinder models.

This book, stated BSA, is by far the most complete Service Manual ever published by BSA and is a definite must for anyone working on these machines.

Inquiries should be directed to the local BSA dealer.

New BMW Shop Manual

Floyd Clymer Publications has announced that a new 275-page book covering all models of BMW motorcycles is now available. This book is the most comprehensive ever published on motorcycles. It has over 400 photos, charts and drawings and is actually two books in one, as it covers the entire line of twin models as well as all singles, from the earliest to the latest, states the publisher.

"The book is unusual and unique," said Mr. Clymer, "in that the text and captions for all illustrations are in four languages—English, German, Spanish and French and it has a two-color glossy chrome-coat cover."

The book is available for immediate delivery, $5.00 postpaid with a discount to cycle dealers. Published by Floyd Clymer Publications, 222 N. Virgil Ave., Los Angeles, Calif. 90004.

Chain Lube... for dependable chain lubrication!

Won't drip, fly off or dry out!

Here's real protection for your bike! Chain Lube flows on like a liquid, solidifies into a grease. Impervious to moisture and salt air, covers all moving parts with a tough film of lubrication protection. Sold coast to coast since 1940.

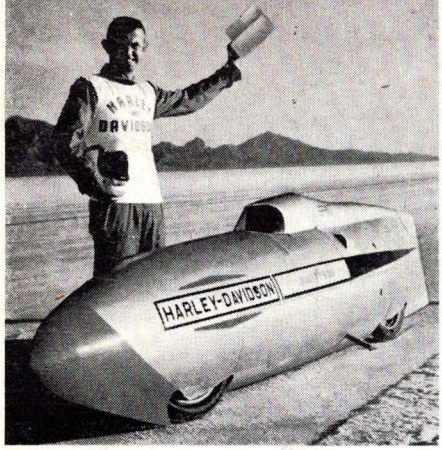
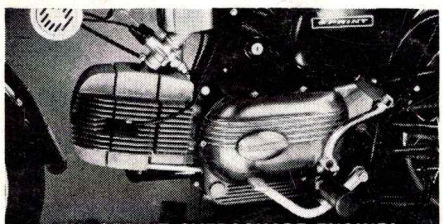
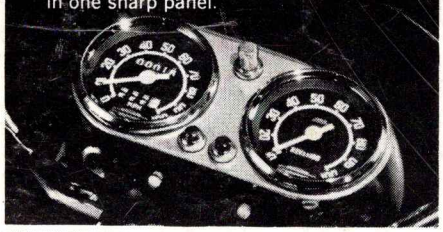
LEAVES THE WORLD BEHIND!
250cc speed record—176.817 mph at Bonneville with standard CR engine using pump gas.

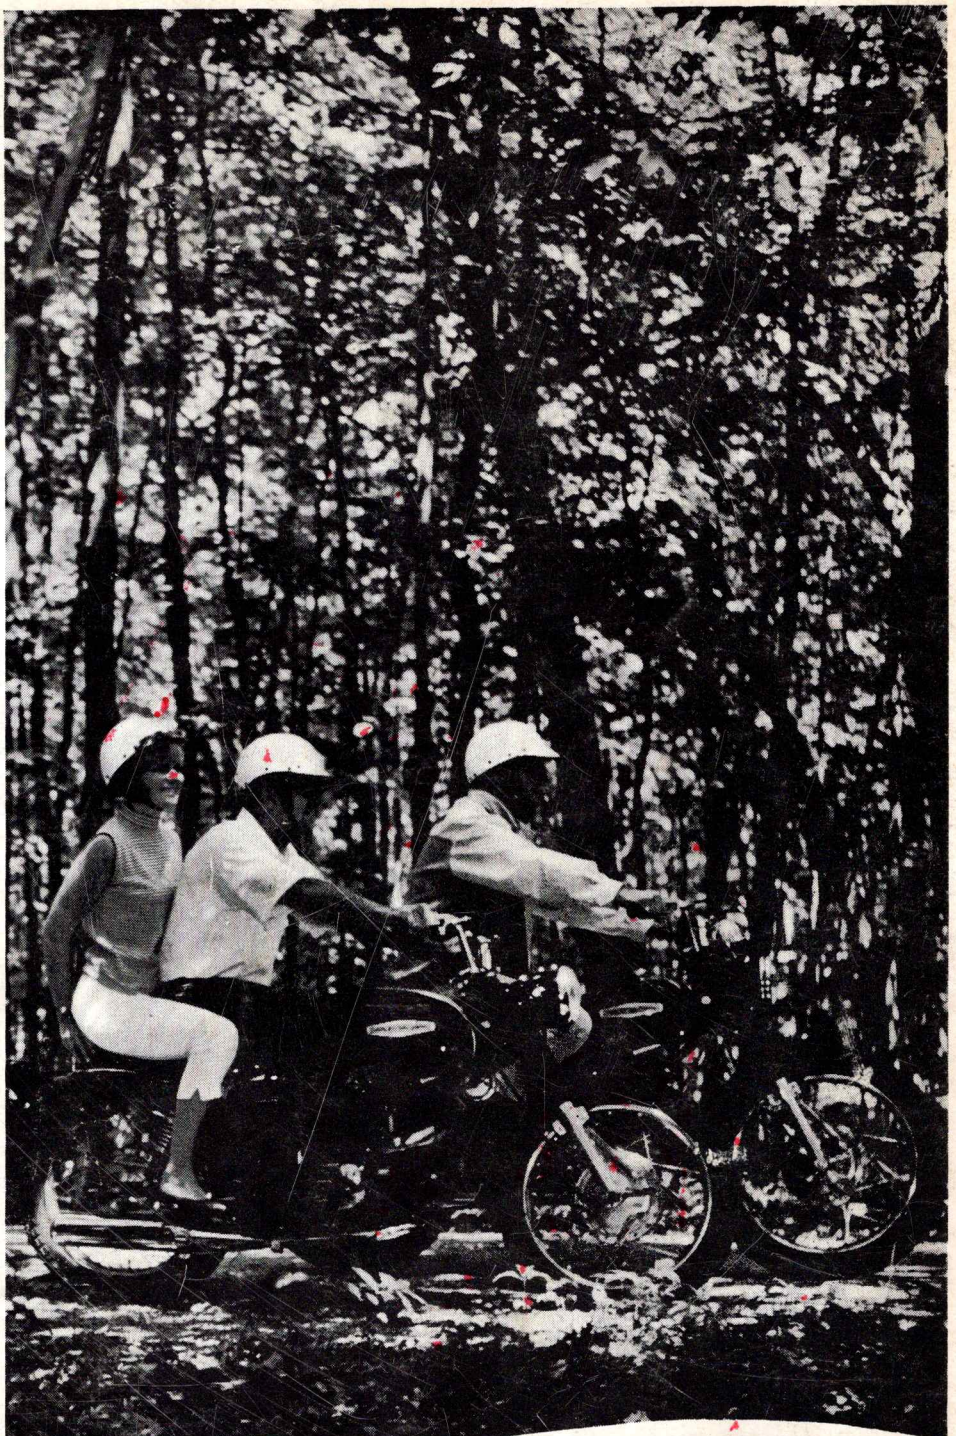




NEW SPRINT OVERSQUARE ENGINE!
Aluminum head, aluminum cylinder, special alloy sleeve with a bore/stroke of 2.83 x 2.40 inches cracks out 18% more power and an endless supply of reliability!

SPRINT SS—SPEEDO/TACH!
The total performance story at a glance . . . speedometer and tach dual-mounted in one sharp panel.





MOVE UP TO THE BOSS-SPRINT! GO HARLEY DAVIDSON

1967 Sprint. The middleweight bomb that "no amount of flogging will hurt . . ." delivers 18% more GO with a new 250cc, oversquare powerplant! Sprint SS is ready for the road or the rough with extra ground clearance and detachable headlight. Sprint H is restyled for action from new road race tank to streamlined muffler. *These are the hot ones!* Check the Yellow Pages for *your* Harley-Davidson Dealer.
